

occur in the facility or home. The type of sanction shall be determined by the severity of the incident and the probability of reoccurrence. The administrative actions shall include written warnings and special provisional licenses or registration certificates.

A written warning may be issued which shall specify ~~the~~ any corrective action to be taken by the operator. The Department shall make an unannounced visit within one month after issuance of the written warning to determine whether the corrective action has occurred. If the corrective action has not occurred, a special provisional license or registration certificate may be issued.

When a special provisional license or registration certificate is issued, it shall require specific corrective action. It shall be in effect for no more than six months from imposition and ~~may shall not be renewed~~. The special provisional license or registration certificate and the letter which clearly states the reasons for the special provisional status shall be posted where parents can see them. Under the terms of the special provisional license or registration, the facility or home shall not enroll any new children until notified by the Department that it is satisfied the abusive or neglectful situation no longer exists. The Department shall make ~~three unannounced visits~~ an unannounced visit at least every eight weeks during the period the special provisional license or registration certificate is in effect. Specific corrective action required by a written warning, special provisional license or special provisional registration certificate, or any other administrative penalty authorized by this Article may include the permanent removal from day care of the substantiated abuser or neglecter.

Nothing in this subdivision shall restrict the Secretary from using any other statutory or administrative remedies available.

- (7) To develop and promulgate standards which reflect higher levels of day care than required by the standards established by this Article, which will recognize better physical facilities, more qualified personnel, and higher quality programs. The Commission may adopt rules for the issuance of two grades of licenses: an 'A' license for compliance with the provisions of the Article, and an 'AA' license for those licensees meeting the voluntary higher standards promulgated by the Commission.
